

We hope everyone had a wonderful and relaxing holiday. Thank you to all of our INCREDIBLE families for the thoughtful gifts and delicious goodies!

Just a little note.... Thank you CW families and staff. 2021 was another difficult year and we made it through with your understanding and support. Country Woodland plans on making 2022 better than ever!

JANUARY HOLIDAYS:

- *12/31 CLOSED-New Years Eve
- *1/17 CLOSED- Martin Luther King Jr. Holiday

PROGRESS REPORTS

All of our classes will be offering parent/teacher conferences this month after you receive your child's progress report. These progress reports are a simple, basic, generalization of skills most children reach at these age groups. However, all children develop and grow at different levels and speed. If you are interested in a parent-teacher phone conference, sign-up sheets will be posted soon. We will not be offering in-person conferences at this time. As you will see, there is a place for you to sign the progress report and then return to your child's teacher so we can re-evaluate in the spring. We are so proud of everyone!! If the day/time on the sign-up sheet is not convenient for you, we can work together to set something up. Please don't hesitate to ask. You are also welcome to speak to your child's teacher at any time of the year. You do not need to wait until progress report time! We are always available!

WINTERY SEASON

Unfortunately, during the winter season it is expected that children get sick, especially in a pre-school environment. In an effort to keep our school as healthy as possible we ask that everyone be extra cautious this season. Together we can all play a part in doing our best for our community by making smart choices and maintaining safe, healthy environments at home and at school. Our staff will continue to do their part to keep CW clean and healthy. Thank you.

MONTHLY THEME...Dinosaur Dig!

"Write it on your heart that every day is the best day in the year."-Ralph Waldo Emerson

INCLEMENT WEATHER

Things are definitely a little out of sorts this season, but luckily our OneCall Now System will be in use. Remember to give us updated phone numbers and emails as they change. Since Fairfax County Public Schools and The Federal Government will most likely be on modified inclement weather policies, it is going to be challenging for CW to adjust our plans based on their decisions as we have done in the past. However, we will notify you asap if we have a delayed opening, early dismissal or decide to close for the entire day. You can also check Facebook or the school answering machine for updated information.

TAX INFO

Your personal tax info for 2021 will be sent home soon. Questions? Feel free to call or email the office.

*Early registration forms for summer /fall enrollment 2022/23 will be sent out soon. Please start thinking about your plans.

HOT LUNCH!

We understand some of our lunch menu options are questionable for a child's palate and will be meeting with our catering company soon to come up with more child friendly choices. We know there are more food possibilities available and we will be coming up with a new menu that will be sure to please our children and fill up their bellies! We will continue to sidestep family style service having only teachers serving out the food, maintaining a distanced eating system, utilize specified chairs and table placement, and make sure children do not share food or utensils. Clean and healthy eating habits will remain a top priority.

It's cold!!! Please remember to bring in winter-appropriate attire for your child! We still enjoy going outside to play.
