

## PAPERWORK REMINDER

PLEASE remember to bring us a copy as your child gets immunized throughout their early years. We will send home reminder notices but we also ask for your help in keeping our files updated and in compliance with state licensing. We appreciate your help receiving a glowing report as we undergo our biennial state inspection in May. Thank

## REGISTRATION

Please let us know about registering your child for summer 2022 and/or fall 2022/23 as soon as possible for enrollment and staffing. Our summer session will begin 6/13, Fall session 9/6.

Connection  
March 2022**

## NEW FACES

Over the next few days we will be introducing a few new, friendly faces. Ms. Stephanie P. has joined the Space Cadets and The Happy Campers in the afternoons. Ms. Stephanie is a college student, looking to get into pediatric medicine. She is kind, sweet, and enthusiastic. You will soon be seeing Ms. Jennifer in the Safari Friends and Ms. Katerin joining The Sea Pals. Ms. Katerin is pre-law at George Mason, she is creative, has great people skills, and dedicates herself to the task at hand. Ms. Jennifer has a Bachelor of Science in Human Development and Family Science from George Mason and an Associate of Science in Social Sciences with specialization in Teacher Education. We are excited to have both ladies with us at CW and know that each one will bring something special to our classrooms.

Celebrate the b-day of Dr. Seuss on 3/2 with a PJ party, (or dress up like your favorite Dr. Seuss character.) We will celebrate with fun snacks, activities, and readings of Dr. Seuss books!!!!

## ST. PATRICK'S DAY CELEBRATION

On 3/17 all of our classes will celebrate St. Patrick's day with a special green snack! No need to bring in any goodies from home! We'll supply it all!! But remember ... dress in green!!!

## PRE-K GRADUATION

We know pre-k graduation is a special day for our Sea Pals and their families. Last year we did a parade, drive-thru type graduation where the parents drove their child through the horseshoe. The teachers waved and presented each diploma individually to the child while in their car as they pulled up to The Sea pals door. It actually was really great! You can see many examples of this on YouTube. However, this year we are planning to have as much of a traditional Graduation ceremony as possible, while still trying to maintain a healthy and safe environment for the children, families and staff, if possible. We are still brainstorming ideas. (The date of 6/10 has been planned.) So far, we are thinking the children will have a special private party on 6/9, then on 6/10, most likely around 10:30 am, we will have an open, graduation ceremony on the playground or in the front of the school, where we can invite a limited amount of outside guests to join us. We will compose a simple and short singing performance and then after, diplomas will be presented to the children. It is very special to attend a memorable, more customary graduation service and we will do our best to accomplish this. An announcement will be made as plans are finalized.

## SPRING PICTURES

We are happy to be offering spring pictures in April. The photography company we use, IMAGES 4 KIDS, has implemented the highest safety precautions. The photographer will wear a mask, there will be no non-porous items on set and there will be no contact from the photographer. CW staff will assist in posing and straightening up the children, the set will be sanitized between classes and we will not be taking sibling photos to avoid cross contamination. Proofs will be available to view on-line, and all ordering and purchasing will be done on-line, as well. To implement this on-line only type of viewing and ordering of your child's proofs and pictures, Images4kids asks that you pre-register your child. A link with an access code to use or a QR card with instructions will be made available soon. Feel free to bring in a "special change of clothes" and the teachers can dress your child accordingly just for the pictures. We will remind you again as we finalize a date and a picture of the background will be available soon! HAPPY SPRING:)

**REMINDER...** Daylight Saving is right around the corner! Set your clocks ahead Sunday, 3/13!

## UPCOMING EVENTS...

- 3/2 PJ or dress up party to celebrate Dr. Seuss b-day
- 3/13 Daylight Saving
