

## WEATHER ALERT

Since the weather is getting cooler, all of our students need to bring in a warmer change of clothes to leave in their classroom. We still go outside even when it is chilly, so a jacket is recommended daily. Please remember our policy; if your child is well enough to attend school, then he/she must go outside with the rest of their class.

## SCHOLASTIC BOOKS

is a huge success! The more books that get purchased, CW earns points for each class to receive free books. Remember, books make great gifts and the holidays are right around the corner!

Have a great long week-  
end!\***

## BUG SPRAY/SUN SCREEN

Sun screen should be taken home for the season. Teachers will bag it up, label it, and set it in your child's outside cubby. If it has not been taken home in the next few days, we will have to throw it out. Thanks. We can keep bug spray here for a little longer.

## HALLOWEEN PARADE &amp; PARTY

Fall has always been one of our busiest and most favorite seasons of the year. We continue to slightly adjust our normal activities to accommodate health and safety precautions. However, we still plan on having an amazingly fun Halloween Mon. 10/31. Those of you who have been with us for awhile know a CW tradition is for all of children to dress up in their Halloween costume and march back and forth around the horse shoe a few times in a dress-up costume parade. Due to covid restrictions, parents have not been able to join us these last few years as typically done pre-covid, but we feel we are ready again in 2022, to offer the invitation. **Please come join your child on 10/31 at 10:30 am for our annual dress-up Halloween parade around our front horseshoe!** This is a simple, fun time for parents to walk around with your child and enjoy a special moment together. The parade will start around 10:30 am on 10/31 and lasts just about 30 minutes or so, especially depending on the weather. Immediately following, each class retreats to their classroom for a party. Families are welcome to bring in goodies for the Halloween party to share. We prefer treats that are store bought, individually pre-packaged, and in the original packages so we are able to read the ingredients for our children with allergies. Sign-up sheets will be posted easily accessible to parents. Dollar store items are a great idea, too! Children appreciate little trinkets as much as they do treats! But please do not feel obligated to bring in anything. We always have plenty.

If you have fever or are showing signs or symptoms of communicable illness, please do not join us for the parade. Masks are optional.

We won't be going to the pumpkin patch this year BUT we will bring the pumpkin patch to CW! We will turn the CW playground into our own pumpkin patch full of fun and surprises and everyone gets their own child-sized pumpkin to take home. 10/19 starting around 10:30.

## INVITATION POLICY

To keep things fair & make sure there are no hurt feelings, if you choose to pass out invitations here (for birthday parties, etc.) please invite the entire class or at least all of the boys or all of the girls. If you choose to only invite a few children from a class, the office can give you the home addresses and you are welcome to mail them. Thanks for your understanding.

## MOTHER GOOSE SHOW

Our last outdoor show of the season is one of our favorites; Mother Goose!!! She fly's in on 10/14 at 10:30 to perform nostalgic childhood stories as the children are the main performers. Be sure to check Facebook for pictures and videos of the program.
