We are so eager to finally get the school year started. All of our teachers have been busy preparing lesson plans and projects to keep our children happy and active all year long. Everyone is super excited for fall and we are positive that this is going to be the best year ever! Some teachers may have changed classrooms but are prepared, optimistic and inspired by new age groups, new friends, and fun!

## SOCCKER CLASS!!!!

We are super excited to offer an optional soccer class “Love The Ball” again this fall season. Coach Ollie will be offering a free trial class here at CW on 9/8 starting around 10:00AM for potty trained 2, 3 or 4 year old’s. Then if you are interested, you can register your child for the 10 week class that will begin the following week, Thurs. 9/14. Soccer class, at an additional fee, is held here at CW on Thurs. mornings starting around 10 am. More info on soccer classes will be sent home soon.

## UPDATED INFORMATION

Children’s file must be reviewed and/or updated yearly. The teachers will have a copy of your most recent registration form and emergency medical form. As you drop off or pick up your child, you will be asked to take a look. If everything is still accurate, you can simply complete a form signing off that nothing has changed. If info HAS changed, you can correct it directly on the old form, then initial next to the modification, or complete an entirely new form if you wish. We are still required by the state of VA to keep updated health/physical forms on each child. Depending on the age of your child, you may be due. Children under the age of 2 are due for immunizations every 6 months after their date of birth. Please, remember to bring us in a copy each time your child gets immunizations. Keeping your child’s file current is important. It is not only a licensing requirement but especially vital in emergencies.

## TUITION REMINDER

Tuition is due each week for that occurring week or a \$15 late fee will be added to your account. You are welcome to pay ahead if you like. Payment boxes are located outside of each door and in the main office. Many families are having their payment drafted from their bank and then sent directly to the school. This may help alleviate the bother of handwritten checks each week. Thank you for your consistent, on-time payment.

## FALL PICTURES

Fall pictures are scheduled for 9/20. The background is a touch of “pre-school” with a hint of fall. If you would like your child to be photographed, please register on-line or scan the QR code on the flyers hanging on the doors. We will only photograph your child for those registered. Information on how to register has been emailed, but feel free to ask the office if you have any questions.

## SCHOLASTIC BOOKS

CW will be participating in the Scholastic Book club program this year. The program stops for the summer but has finally started up again!! This is an amazing, affordable way for you to purchase books for your family while earning the school points. (teachers will also have wish lists posted!) Points are then added up for us to get free books for each class. It’s a great program and we are really excited for it to start up again. Simply go to [scholastic.com/bookclubs](http://scholastic.com/bookclubs) to place an order online or fill out the Scholastic booklet attached to this newsletter, and turn into the office, or go on-line by 9/23. Books are then delivered to CW and we will distribute to your child’s cubby. This program will be offered monthly and seems to always have something for everyone. Our information is **P732G**
